

Bro. J.B. O'Keefe B.Sc., M.Sc.

Dear Graduates:

This wonderful yearbook portrays pictorially and records in written word the highlights, serious, humorous, and incidental, which we have taken for granted in our every-day school life, but which, in years to come, will be contemplated in retrospect with mixed emotions. The Louisbook of 1962 will always serve as a link with the past, as well as a marvelous record of the present and will recall many memories of former fellow-pupils, teachers, and school activities which formed an integral part of our formative years.

The graduates of '62 are to be heartily congratulated for this magnificent effort. We hope that the book will serve as a reminder to them of their Alma Mater in the challenging and difficult years ahead.

As you leaf through these interesting pages in future years, remember in your prayers your fellow graduates of 1962, as well as your former teachers and undergraduates. Above all, carry forth into the world the valuable lessons of spirituality and learning which you have absorbed in the years that you have spent at St. Louis.
